

Sharing Space

IN THE BEGINNING ... it was great.
Just Mama, Baba, Levi and Tiffany.
Life is good, thought Tiffany.
But then, one day ...

④ Peter arrived.

Well, that's how it seemed
to Tiffany.

⑤

But, a new brother meant NEW TOYS!
"Tiffany, if you are going to play with Peter's
toy, you should share one of yours"

⑥ said Mama.

So, Tiffany did.

⑦

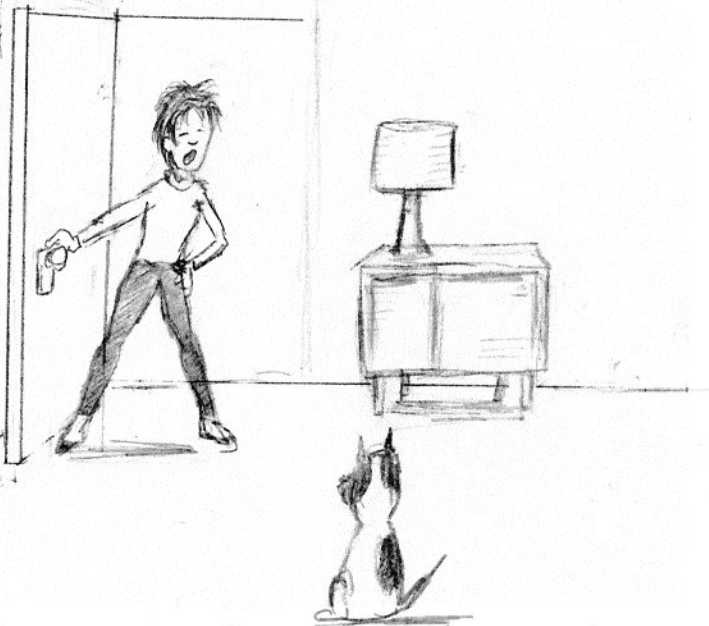

As Peter (and Tiffany) got older,
"sharing" became more of a problem.

8

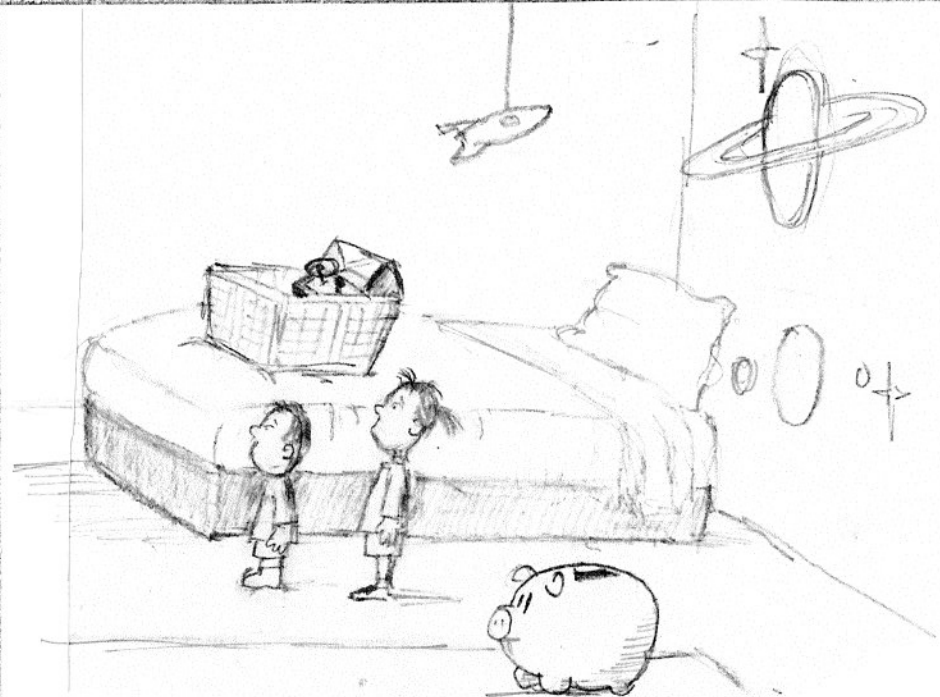

9

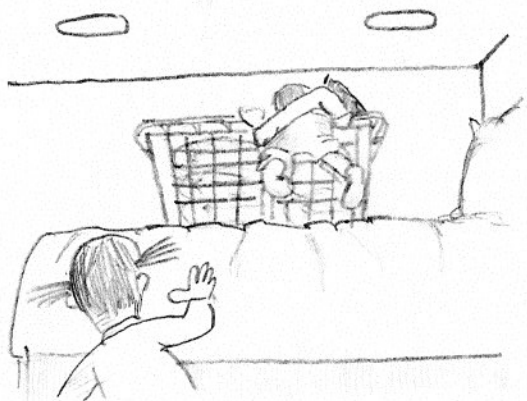

Mama placed the toy out of reach.
"You will get the toy back when you
learn to share."

10

Mama then left to start
dinner.

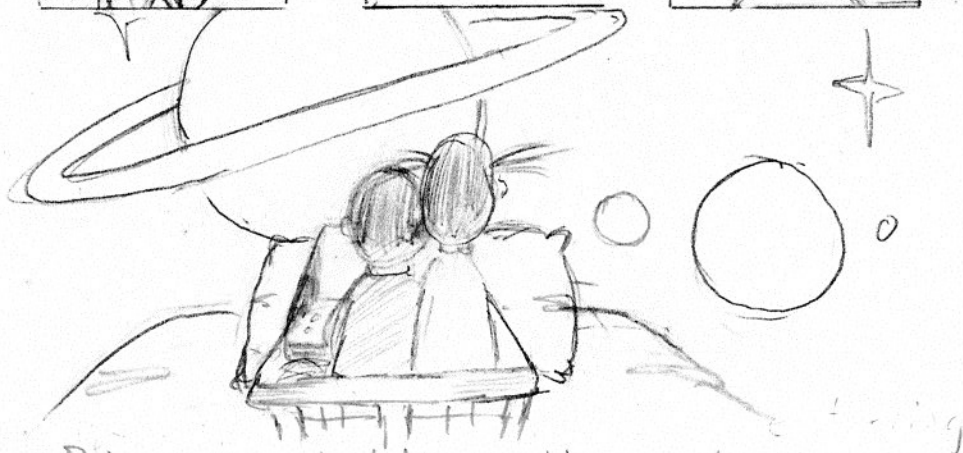

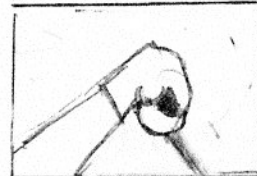

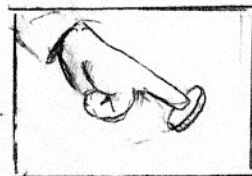

11

"Hey! Where are you going?" asked Tiffany.

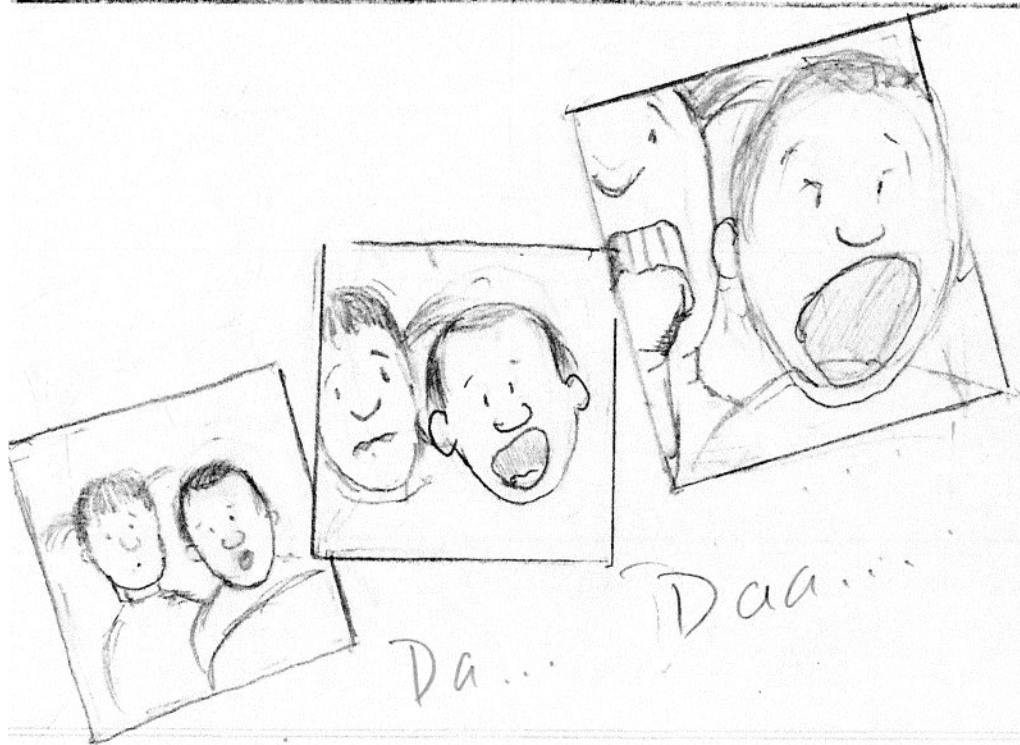

Tiffany sighed and followed Peter.
"Are you trying to get us in trouble?"

Peter responded by pushing a button, shifting a gear, and starting a countdown...

12

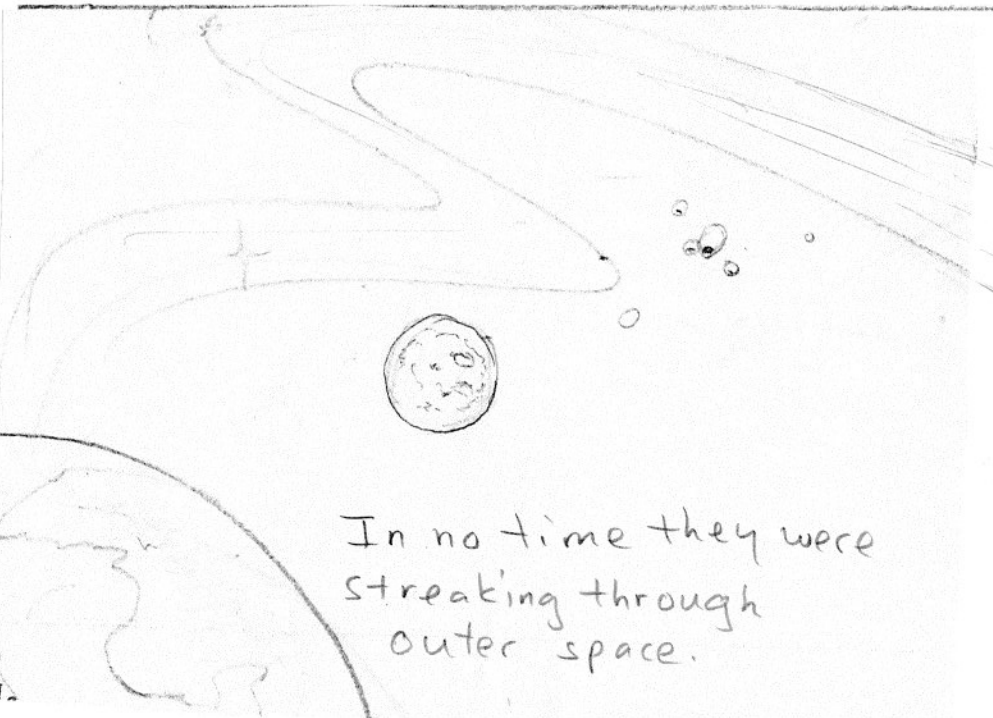

13

14

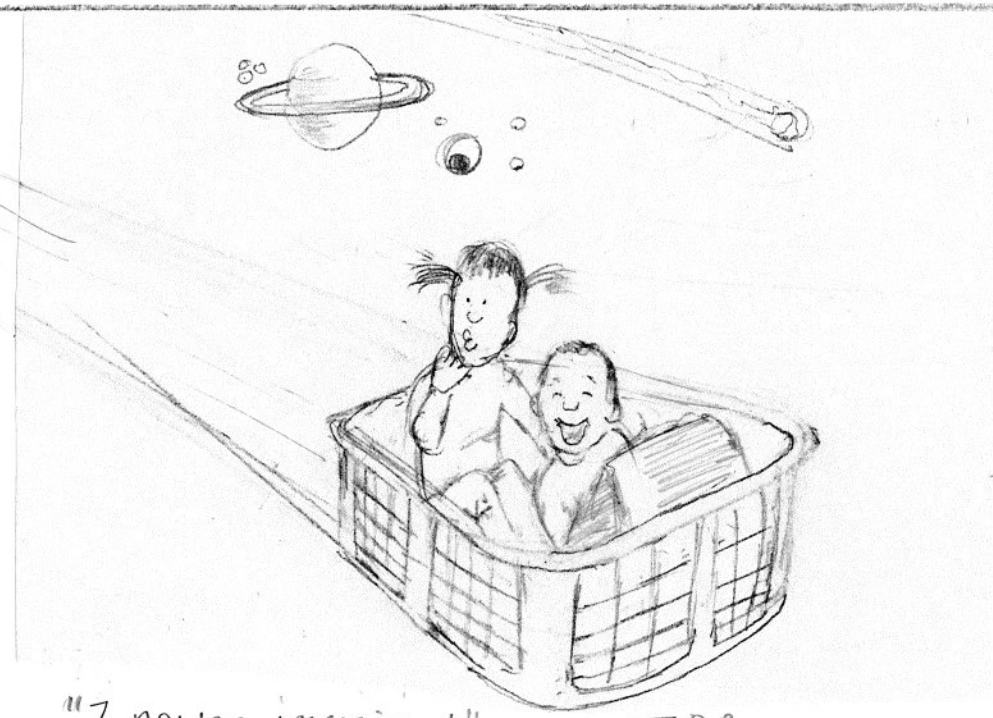

15

In no time they were
streaking through
outer space.

16

"I never imagined," said Tiffany.
Peter just giggled.

17

They finally landed on a planet.
The gravity was weaker than Earth's.
So, when they jumped it was like...

18

... FLYING!

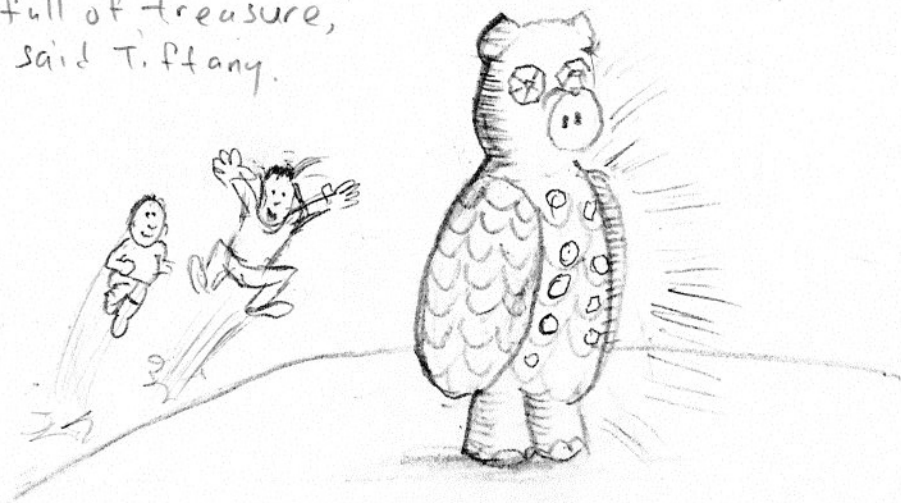

19

"Look up there!"
said Tiffany.
"Let's go see
what it is."

20

They leapt to the top of the peak
and found,
"The Golden Pig! I bet it's
full of treasure,"
said Tiffany.

21

"Maybe I can open it with
magic words. Ummm
Open eezy...
Eezy open..."

22

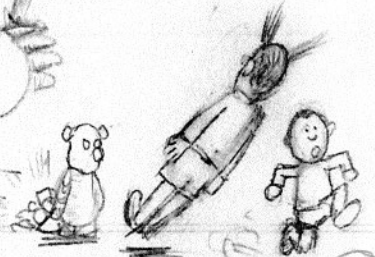

22

The magic words
worked, and the
treasure flowed.
But, they were not alone

Tiffany and Peter
turned and looked into
the face of the Guardian
of the Golden Pig.

23

23

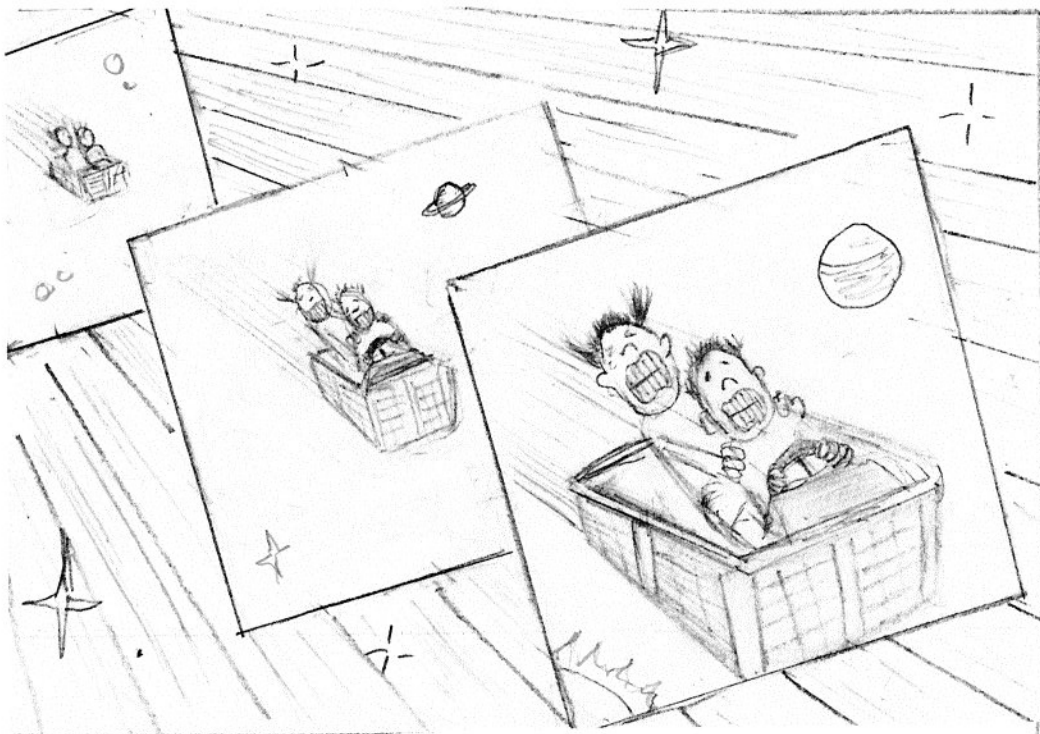

"Run! BACK TO THE SHIP!"
shouted Tiffany.

24

"This electro-sheet will slow him down.
Peter, take us home! FAST!!

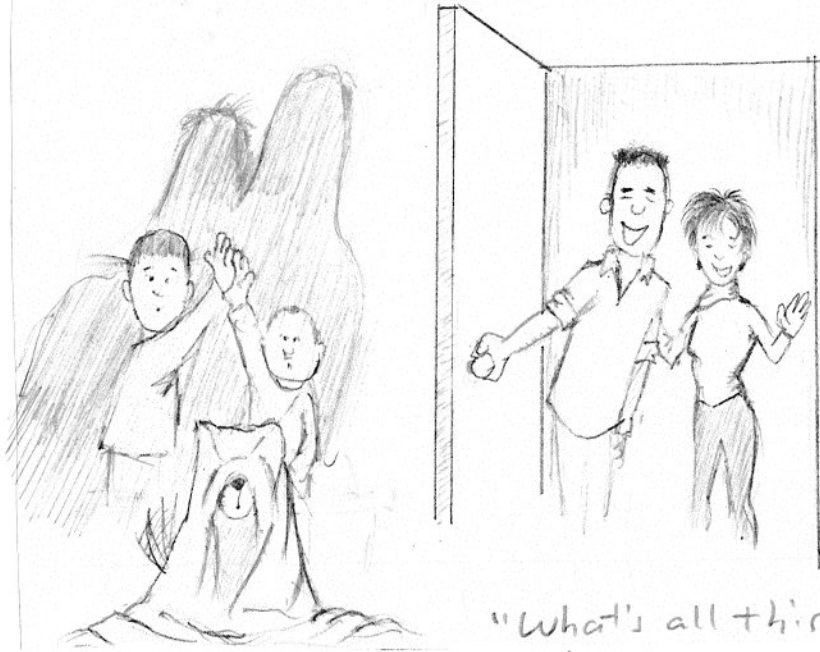

25

26 And Peter did just that.

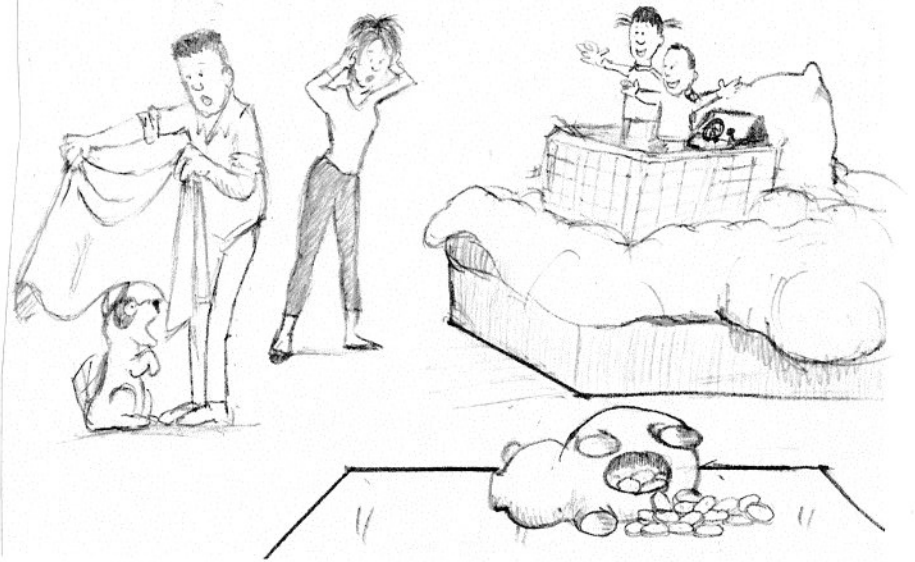

Tiffany and Peter returned home... safe... and without any space bugs caught in their teeth.

"HEY!"

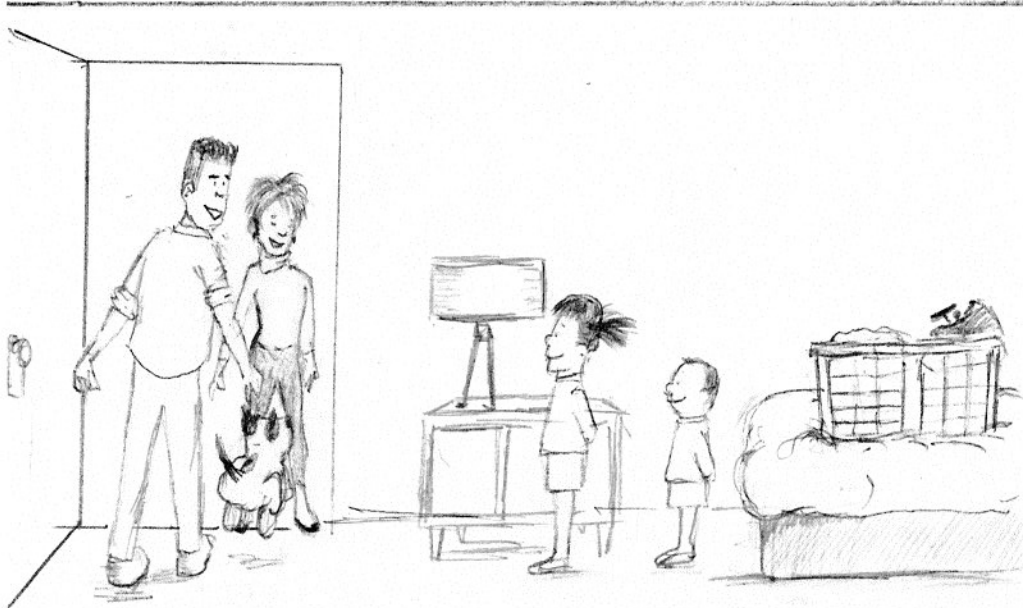

"What's all this giggling and laughing?" asked Ba Ba

"Levi! Come out of that sheet."
"Look at the bed," said Mama.
"We went to outer space," said Tiffany.

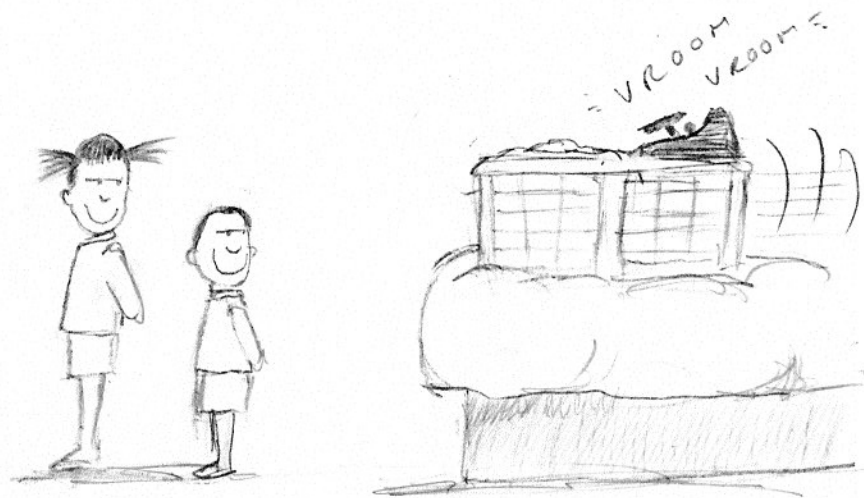

28

29

"Space, huh? Well, we eat in half an hour. If you go again, be back by six," said Ba Ba.

30

31

WAROOM!
